PEER2PEER PROGRAM: A SUCCESS

Written by Alfredo Torres

Peer2Peer is a mentoring program designed to support first year SSS participants with the transition to college life through the guidance and assistance of upper class SSS students. Peer2Peer combines one on one meetings between mentors and mentees with group activities and meetings.

The primary goals of the Peer2Peer mentoring program are to enrich the personal and academic development of first year SSS participants while building the leadership skills of upper class SSS students.
